

ABBY SPITZER

Abby Spitzer has been the office manager at Athletistry Performing Arts Center for over 10 years. Abby grew up dancing with Ms. Traci and could not foresee what an important role she would play in the future of Athletistry. Upon graduating from high school, Abby attended the University of Houston where she graduated Summa Cum Laude with a degree in Education (specializing in middle school math) as well as a minor in Chemistry. Throughout the years, Abby has implemented numerous ideas that help to ensure that the studio runs efficiently. In addition to performing her daily tasks, Abby always finds time to help the dancers with school work as well as prepare them for their dance classes. Abby genuinely cares about everyone who walks through Athletistry's doors and always goes above and beyond to make them feel welcome.
